

Terminal Server, Citrix, and .NET

Questions? From your BS&A program, go to **Help>Contact Customer Support** and select **Request Support Phone Call** or **Email Support**. Or, you may call us at (855) 272-7638 and ask for the appropriate support department. Questions for our I.T. department may be submitted by phone (same number), or by emailing tech@bsasoftware.com.

BS&A Software is proud to announce that their popular suite of .NET applications now supports the use of Microsoft Terminal Server. BS&A has tested and is satisfied with this environment from a standpoint of both speed and compatibility.

While there are no known incompatibilities between Citrix and our .NET applications, BS&A has not tested and cannot currently recommend it.
