

BS&A SQL Database Codes

Questions? From your BS&A program, go to **Help>Contact Customer Support** and select **Request Support Phone Call** or **Email Support**. Or, you may call us at (855) 272-7638 and ask for the appropriate support department. Questions for our I.T. department may be submitted by phone (same number), or by emailing tech@bsasoftware.com.

These codes are provided in the event an I.T. person needs to back up an application database directly through SQL.

As an example, when viewed through SQL, **D001Examples** is the Assessing database named *Examples*.
